

Dear Competitor,

Excitement is ramping up everywhere as the Rally of the Bay draws near.

In conjunction with Thomson Productions, who have been engaged to promote the event and the sponsors, we have been conducting a media campaign over the past 4 weeks and it will continue right up until the rally. As a result, there have been stories published in the regional press which have focused on the event, the sport and drivers such as Ben Barker. There have been live radio interviews aired with more to come as the rally start draws near. The support that we have received from the 2EC / PowerFM network has been fantastic.

This promotion is likely to bring large spectator crowds and we have engaged Will Hagon, motoring journalist and presenter with the ABC to act as MC for the event and inform the spectators about YOU. He will be manning the PA system at the Promotional Start and at Spectator Points 3 and 5 to inform and entertain the masses. As your car approaches the start line, or passes the speccy point, Will wants to be able to tell the crowd a little bit about you, your navigator, your service crew and your car – where you are placed in the race, some interesting facts about your car or team. So, please help him out.

Please have a look at the attached questionnaire and fill in as much information as you can about your team and car. Let us introduce you to the crowd properly!

All forms need to be returned to us by Monday 25 July 2011 – latest.
