BULLETIN No. 1

SUBJECT: P PLATE DRIVERS & RMS EXEMPT VEHICLES

FROM: AMSAG Executive Committee

TO: Competitors with Provisional Civil Drivers Licences

DATE: 21/02/2020

PAGES: 1

For P Plate (Provisional) drivers wanting to compete in AMSAG events involving transport/liaison stages on public roads in a restricted vehicle for their licence type, an RMS Exemption must be supplied to the event organisers at Documentation.

Affected Provisional drivers without an exemption will NOT be permitted to drive transport/liaison stages on public roads. An alternative fully licenced driver must transport the vehicle to and from Start/Finish controls if no exemption is supplied.

This amendment will come into effect immediately. The first event of 2020 to apply this regulation will be the Blacksprings Test & Training Day.
